FOSTERING INCLUSION OF LGBTQI+ MIGRANTS AT LOCAL LEVEL

FOSTERING INCLUSION OF LGBTQI+ MIGRANTS AT LOCAL LEVEL

@NCLUSION is a 36-month AMIF project co-funded by the European Commission, focusing on integration and inclusion at the regional and local levels.

We unite local authorities, migrant organizations, LGBTQI+ groups, and other civil society organizations across Cyprus, Germany, Greece, Italy, Poland, and Spain. Our mission is to create and support local strategies that ensure LGBTQI+ migrants and refugees feel included and valued in their communities.

Equality. Diversity.

Empowerment.

Collaboration.

Support.
